

EUROPEAN HIV CLINICAL FORUM 2021

Virtual Workshop 24-25 May 2021

JOIN US | 24-25 MAY 2021

The European HIV Clinical Forum 2021 provides an independent scientific program involving the world's leading experts and is specifically designed for European HIV healthcare professionals and focuses on optimizing treatment for their patients.

Registration fees are waived for healthcare providers, public health workers, and researchers who provide care for people living with HIV, and others from related disciplines.

Program topics

- State of the Art Lectures: New Treatment Options
- Healthy Living with HIV
- State of the Art Lectures: HIV Diagnostics
- HIV Prevention

**THE EUROPEAN HIV CLINICAL FORUM 2021 LIVESTREAM
WILL TAKE PLACE ON 24-25 MAY, 19:00 - 22:00 PM CEST.**

The European HIV Clinical Forum, has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 4 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Q&A

You will be able to submit your question during the livestream using the Q&A function.
